

COMMUNITY GIVING—DONATION REQUEST FORM

Shubie's strives to be a good corporate citizen. Our community is great to us, so we feel that we should be great to our community in order to strengthen the health, social, educational and cultural fabric of this community. Shubie's will try to respond to your contribution request if we can identify with the effort or cause. We try not to base our decision upon whether our own self-interest will be helped by responding or hurt by not responding. We will ask these questions:

- Is your organization or event clearly nonprofit or charitable? If not, we may consider your request to be more appropriately directed.
- Is your request coming from an organization that will improve the health, educational, cultural or civic vitality of this community?
